

## Learning objectives

- Learning the fundamentals of Common agricultural policy, concentrating on its 10 main goals.
- Encouraging students to learn more by having them conduct group information searches.
- Encouraging communication, presentation, and teamwork skills.

## Structure/activities

- Use the provided **video on the "Timeline of CAP"** for the students (there are subtitles).
- Following that, go over the important concepts once again. Discuss **the period 2023-27**, stating that the Common agricultural policy (CAP) **will be formed around ten key objectives**.
- Divided the class into groups of two to three (depending on the size of the class), and **assign a single key objective to each group**.
- You can explain that these objectives, which are centered on social, environmental, and economic goals, **will serve as the foundation for EU countries' CAP strategic plans**.
- Ask students **to read the available materials**, to take notes, and then **to present to the class on their assigned key objective**. The resources offered are in English, however teachers can use materials in their own language.
- Other students raise questions at the end of each session.

## Background information

- Module 3 - Policies of European Union (provided in EU@School E-learning course).

## Assessment

- Reading materials, taking notes, and presenting the knowledge to the class.
