- At the beginning, you can explain your students that you are going to explain them where Europe took its name, why we call it Europe?

- Then, you can show the video to your students:  
<https://www.youtube.com/watch?v=e23CcwN2esU>.
- Showing the video before teaching might be beneficial since it will enable them to get the main idea.
- Right after the video, you can start displaying the descriptive cards below and explaining each picture.
- Once you finish the myth part, you can pass the symbols of the EU.
- Please explain each symbol as simple as possible.
- Then ask students to form groups of 3-5, provide them group names (e.g., trees) and tell them the group who gives more correct answers will win the game.
- Ask them to do quizzes in 20 min.
- Go and ask each group their answers and make clarifications for groups who did not give correct answers for the questions below.
