

Learning objectives

- To comprehend what the EU's migration and asylum policy entails and understand the topic's main points.
- To exchange and discuss ideas for putting acquired information into practice by considering examples of ways to assist migrants in integrating into the EU.
- To improve communication, groupwork, and presenting abilities.

Materials needed

- <https://www.youtube.com/watch?v=vFGs-mUXP0w>
- <https://www.consilium.europa.eu/en/infographics/?filters=1655> (infographics teachers can use in class)
- https://en.wikipedia.org/wiki/Migration_and_asylum_policy_of_the_European_Union (for teachers)
- <https://www.weforum.org/agenda/2016/05/10-ways-countries-can-help-refugees-integrate/> (for teachers)
- "How can we help migrants to integrate in the EU" worksheets.

Structure/activities

- Introduce the topic and inform the class that **migration and asylum have always been realities for the EU. You can use the example** of how the invasion of Ukraine by Russia has caused millions of people to flee their homes and seek refuge in the EU.
- **Display video** that was provided as a learning resource. **Subtitles in many languages are included** in the videos, which aid in the process of understanding the subject.
- Following the video, **highlight the most important points** and **respond to any queries** from the students.
- Then divide the class into groups and distribute **"How can we help migrants to integrate in the EU" worksheets** to each group.
- The worksheets are filled out by students. Each group then **gives a class presentation of their ideas**.

Background information

- Module 3 - Policies of European Union (provided in EU@School E-learning course).

Assessment

- Worksheets and discussions with the teacher and other classmates to broaden understanding.

How can we help migrants to integrate in the EU?
